DESCRIPTION

The AIR Lounge Chair brings a sense of airflow and lightness. This effect comes from the handwoven olefin rope in our unique weaving style, wrapped over a marine-grade **powder-coated** aluminum frame that resists rust. Complemented by plush cushions filled with QuickDryFoam (QDF) and covered in olefin fabric, with an option to upgrade to acrylic fabric upon request. It is perfect for private terraces, poolside decks, or laid-back lounge areas in residential and hospitality settings.
