DESCRIPTION

This PRESTIGE cantilever umbrella offers expansive shade with a smooth, anti-slip crank system for effortless adjustment. Its full aluminum frame withstand wind speeds of up to 40 km/h and finished with 304 stainless steel screws and rivets for lasting outdoor performance. Step-less height adjustment, left and right tilting, and 360-degree rotation allow seamless shade positioning, while flexible rib ends keep the canopy clean and perfectly tensioned throughout the day.

FINISHING

Full aluminum frame with 304 stainless steel screws and rivets.
